

Q: Do I have a say in what you invest my money in?

No. The Fund has a defined and approved allocation of funds amongst asset categories. The Fund Manager uses its expertise to determine where to invest in line with the approved asset allocation.

Q: What is the minimum guaranteed rate of return?

The Fund cannot guarantee a rate of return but is projected to be as competitive as the high-end returns from fixed income instruments available in the market. The return is based on interest rate trend in the financial market.

Q: How can I access accrued income on my investment?

Dividends shall be paid at the end of every calendar quarter to all Unit holders. You have the option of either re-investing the dividend or requesting direct credit into your account. You are expected to provide bank details at the point of initial purchase of units of the Fund. In the event that a client part liquidates his investment before the end of a quarter, only the capital sum will be paid. The income earned to the liquidation date will be paid during the quarterly distribution. Only full liquidations before the end of a quarter will earn their full income.

Q: Can I exit my investment at any time?

Yes, you can sell your investment to the Fund at any time. You will be required to complete and execute the redemption form. This document should be returned to the Fund Manager's office or sent to the email stated at the back of the document. The redemption process should not exceed one working day from the time the Fund Manager receives your executed redemption form.
